### Did you know?

The light brown colour comes from using recycled cardboard boxes as one of the fibre sources.

Make a great impression and show your commitment to sustainability by changing to Tork Natural colour hand towels and toilet paper. Same high quality – in a new colour.

**87%**

of restaurant visitors like the idea of recycling single use products, like cartons to make paper towels.\*

**85%**

of office workers are willing to use toilet paper in a natural colour at the office – as long as the quality is the same to what they are used to.\*

**Tork offers**

a full assortment of efficient and reliable dispenser systems, sustainable tissue products and data driven cleaning services to cover all areas of your business.

## Improve your sustainability performance

Tissue made of 100% recycled fibres

Between 30% and 50% of the tissue comes from recycled cardboard boxes

The light brown tissue colour comes from the recycled materials. No dyes added in the paper making

All Tork Natural colour hand towels can be used with Tork PaperCircle® recycling service

### Certifications:

Refills are EU Ecolabel and Forest Stewardship Council® (FSC®) certified. This guarantees that the tissue is made with fibre from responsibly managed forests and other controlled sources. Hand towels are Food Contact Approved for wiping.
